# DYWIDAG Mining Systems

## Colour Anti Friction Washers

Now bolt lengths can be identified easily!

Orange:  
Suit 1.225 to 1.500 Mtr bolts.

Red:  
Suit 1.525 to 1.800 Mtr bolts.

Green:  
Suit 1.825 to 2.100 Mtr bolts.

Yellow:  
Suit 2.125 to 2.400 Mtr bolts.

The current white washer is to be used on bolts outside this range of bolts as standard.

Australian Innovation Patent No. 2004100227
